

Bismarck High School Football Newsletter July 2012

Welcome to the inaugural issue of the 2012 BHS Demons Football Booster Newsletter.

The 2012 season is right around the corner and in an effort to communicate key events and activities the BHS Football Boosters have compiled this informative newsletter. The intent is to provide as much information as we can as early as we can in the hope you put these activities on your calendar and join in the fun.

You will receive a couple newsletters this summer but as soon as the season starts the intent is to send this newsletter through your class representatives and on to you. It will also be posted online at the address on the bottom of this page.

If you have information you want added or have questions please e-mail Dan Murphy daniel.m.murphy@us.army.mil and I will bring your suggestions to the board for review/publication.

If you happen to stumble across this and want to be added to the distro list send me a note with your name, e-mail, class your student is in ... Or if you are one of our valued fans we certainly can add you to the list so you receive pertinent information in a timely manner.

Looking forward to a great season. GO DEMONS!
